One of the primary modes of communication from the association to its members is the NHOTA website forum and by email. Sending “blast emails” through our website forum allows NHOTA to provide necessary legislative alerts, special member benefits and educational opportunities, as well as providing members the ability to share unique practice experiences and questions with other NHOTA members. NHOTA subscribes each new member to our association forum, unless you specifically request to be left out. Membership applications are processed by Executive Administrator, and you will receive a letter of confirmation once your application has been processed. Please contact Executive Administrator at office@nhota.org or call 603-868-7475 if any questions or concerns. We now have a members-only online directory (accessible only with membership log-in) – at www.nhota.org. If you wish to limit access to other members, you can update your profile at www.nhota.org or contact NHOTA at office@nhota.org.
